Tarot for Beginner Witches Julie

Wilder, 2021-08-15 Everything you need to know to start casting powerful tarot spells and reading cards! Tarot cards are a wonderful magical tool to use for divination, but that's not all they can do! With a little magical knowledge, anyone can learn use a deck of tarot cards to talk to spirit guides, connect to their intuition, understand their feelings, detect the energies in their relationships, identify self-sabotaging issues within themselves, get guidance on decision-making, and, of course, spellcasting! In this book, we'll explore some of the more witchy, unconventional ways to use your tarot cards. When I first started learning about the tarot I discovered there were a lot of rules. The more I worked with my tarot cards, the more I realized that a lot of these rules weren't necessary. Some of them felt more like beliefs to keep witches out of the tarot practice rather than actual guiding

principles. This book will show you that you do not have to be psychic to read tarot cards, nor do you have to be psychic to be a witch. All you need to do is look at the imagery of each card, familiarize yourself with the card meanings, and then decide how they relate to your specific circumstance. Anyone can do this, and with the growing popularity of tarot, it's never been a better time to learn how to use this powerful magical tool! Here's What I'll Cover In This Book:

- Overview of the Major Arcana, the Minor Arcana, and the suits.
- Why you don't have to follow traditional tarot rules, myth busting within the tarot community, and a discussion on gatekeeping in witchcraft. (No, you definitely don't need to be gifted your first tarot deck!)
- Answers to common tarot questions like What do 'jumping' cards mean?, How do I cleanse my tarot deck?, and What if the tarot deck gives me bad news?
- Tips for performing insightful tarot readings
- How to prepare your space, your cards, and yourself for a read the tarot cards intuitively
- The process of choosing and arranging tarot cards for powerful spellcasting including money and love spells.
- Fun, unconventional tarot spreads to try
- How to use tarot to connect to your inner wisdom and manifest your deepest desires.
- Suggestions for witchcraft altar setups using only tarot cards
